

MT Safety Policy

- 1. Lifejackets must be worn during all water activities and whenever on or in the water (possible exception is swimming with lifeguard present).
- 2. No diving, no exceptions to this rule.
 - a. No diving from boats;
 - b. No diving from canoes;
 - c. No diving from docks;
 - d. No diving from shore;
 - e. No diving from any other craft, device, platform, etc.
- 3. Helmets must be worn during all water activities.
 - a. Exceptions to wearing helmets: swimming and when in the motorboat.
- 4. No person is allowed in the water without a designated partner ("buddy system") and at least one certified lifeguard present (when sailing, kayaking, or canoeing, a designated partner, "buddy", may not be required).
- 5. No camp participant¹ is allowed in the water allowed to operate boats (motorized or other), or allowed to use water equipment (e.g. canoes, kayaks, sunfish, tubes, rafts) between sunset and sunrise, unless for emergency purposes or authorized by the Captain.
- 6. In the case of lightning, all water activities must cease immediately and all persons must exit the water at once.
- 7. "Beware of the propeller": When on a motorboat, waterskiing, wakeboarding, tubing, or any other activity that enables the use of the motorboat, every person must always be aware of the propeller and always maintain a safe distance from it.
- 8. Extreme care must be taken around and when handling Coleman lanterns, grills, stoves, gasoline, propane, and/or Coleman fuel.

MT Camp Rules
